

Marmalade Ice Cream

Ingredients -

Half a 397g can of sweetened condensed milk

600ml double cream

4 tbsp homemade or bitter ready made chunky marmalade

Method

- Place the milk and cream into a large bowl and using an electric whisk whip until stiff.
- Add the marmalade and stir in.
- Place into a plastic container and freeze.

This ice cream recipe works well with all flavourings. You can use jams, purée fruit, coulis, leftover chocolate sauce, crumbled shortbread and fresh strawberry.....whatever you fancy!
